

Changing the Culture with the Grow Model

<p>What is your goal? <i>If you had a magic wand, what would you like to do?</i></p>	 <p>The diagram illustrates the Grow Model as a circular process. At the top is a blue box labeled 'GOAL'. Below it are three grey boxes: 'WILL' on the left, 'Current REALITY' on the right, and 'OPTIONS' at the bottom. Light blue arrows connect the boxes in a clockwise cycle: from GOAL to WILL, from WILL to Current REALITY, from Current REALITY to OPTIONS, and from OPTIONS back to GOAL.</p>
<p>What is currently happening? <i>What steps are you taking now to make this GOAL happen?</i></p>	 <p>This diagram is identical to the one above, showing the cycle between GOAL, WILL, Current REALITY, and OPTIONS. However, the 'Current REALITY' box is highlighted in a teal color, indicating the current state of affairs.</p>

What options are available to you?
What are your constraints?
How can you overcome these boundaries?
What do you need to make this happen?

How will you make this happen?
What will you do to achieve your goal?
What will motivate you? What will happen now/next?
